Temper and Pride

Temper is what gets most of us into trouble.  
Pride is what keeps us there.

Bishop's Annual Appeal 2007

Each year we are asked for a one time gift from our Bishop, John M. Smith for the Bishop's Annual Appeal. It is now that time of year when our parish becomes part of the larger church of Trenton. A time when we recognize that the church is larger than our local parish, that we are members of a universal Church.

I would like to take this opportunity to thank you for sharing your treasure in the past, which helps to preach the good news message of our Faith to tens of thousands of people in this diocese. You have done this by supporting the Bishop's Annual Appeal.

It is the diocese that calls men to Holy Orders as deacons and priests. It is the diocese that regulates their training and formation in our seminaries. It is the diocese that provides for the care of our retired priests. It is the diocese that supplies the vast complex of administrative and support functions that assist the parishes in carrying out their pastoral ministries. We could not operate our parish school, Religious Education and Youth Ministry with out the supervision and assistance of our diocesan offices. The same holds true for guidance in administrative and maintenance issues. The diocese also provides for the Marriage Tribunal, Family Life/Respect Life, Bereavement and countless other vital services.

In short, we could not exist as a parish without the diocese. But the diocese cannot exist without us. Please be as generous as possible to this year's Bishop's Annual Appeal.

We know that all that we have and all that we are, are gifts from God.

Sincere regards,  
*Father Pat*
